**LETTER OF APPRECIATION PRESENTED TO M/S ASMACS**

*Dear Mr Mohanty,*

1. M/s ASMACS had undertaken repair work on 600 KVA / 480 KW Emergency Diesel Generator set of SDD Pump House of DS Department of NDV vide Work Order RPYP/OTR/20-21/039.
2. The response and professionalism displayed by the firm towards prioritised operationalization of the DG set critical to SDD Pump house operation is noteworthy. The DG set trials were undertaken on 04 Sep and the DG operations was found satisfactory. The DG set is performing optimally post repair till date and is a major redundancy support equipment for the department.
3. The department is extremely satisfied with the services and quality of the work provided by M/s ASMACS and its team lead by Shri. Bijaya Kumar.
4. Further, on behalf of MDS Department, I would like to acknowledge and appreciate and thank all your employees who were part of the repairs. We look forward to continued association for quality offloaded work by your firm.

With Warm Regards,

Yours Sincerely,
