**TO WHOM SO EVER IT MAY CONCERN**  
**LETTER OF APPRECIATION**

1. The UHP hydro jet blasting of ship side, weather decks and Superstructure along with primer, as part of NR-17 has been undertaken by **M/S Asmacs, 123 Atlanta, 12<sup>th</sup> Floor, Nariman Point, Mumbai – 400021**. The firm is fully associated with the conceptualization and execution of all aspects associated with the project. It is to the credit of **Mr. N K Rai** and entire Asmacs team, that the project is being completed with highly compressed time frame, the complete satisfaction of the ship.
2. The co-operative spirit of the reps of the firms, their responsiveness and keen sense/desire to execute the job to the customer's satisfaction, is very apparent.
3. On behalf of me and my ship's company I am pleased to acknowledge the excellent services being rendered by M/s Asmacs, towards speedy execution of work.
